

**STRONGER. BETTER.  
TOGETHER.**

## A NOTE FROM WES MCMULLAN

The events of the last several months have resulted in unprecedented economic and social changes in our world. As financial institutions, we have demonstrated strength and stability in a time when our communities need it most. While the future is uncertain and we continue to face challenges, I believe that through collaboration – together – we can be stronger and even better.

Now, as always, we're here to provide you with the tools you need to be successful and support your communities. While we may not be able to meet with you in person, we are creating opportunities to engage and collaborate including virtual roundtables, webinars, and online strategy sessions. We will all navigate to a better future – together.

I am proud to have worked alongside you for many years now, and there is no doubt in my mind that no matter the challenge, we are **Stronger. Better. Together.**
