The Bank has established a program to promote diversity and ensure, to the maximum extent possible consistent with financially safe and sound banking practices, the inclusion and utilization of minorities, women, individuals with disabilities, and minority-, women-, and disabled owned businesses, at all levels, in management and employment, in all business and activities, and in all contracts for services of any kind.

The Bank's inclusion program includes, among other things, the following elements:

- Employee Recruitment. The Bank engages in recruiting and outreach directed at encouraging individuals who are minorities, women, or individuals with disabilities to seek or apply for employment with the Bank.
- Reasonable Accommodation of Disabilities. The Bank does not discriminate on the basis of disability as defined by applicable law. The Bank attempts to reasonably accommodate the known disability of an employee or an applicant for employment where such person requests a reasonable accommodation and the accommodation would not constitute an undue hardship to the Bank's business.

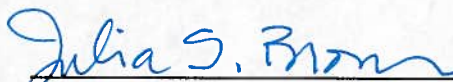

- Board Nominees. The Bank encourages the consideration of diversity in nominating or soliciting nominees for positions on the Bank's board of directors and Affordable Housing Advisory Council.

This Equal Opportunity Policy Statement shall be posted in the Bank's physical facilities, including through alternative media formats, as necessary, and shall be posted on the Bank's web site.

Consistent with the provisions of 12 C.F.R. § 1207.3(a), this Equal Opportunity Policy Statement does not and should not be construed to create any right or benefit, substantive or procedural, enforceable at law, in equity, or through administrative proceeding, by any party against the Bank, its directors, officers, employees, and agents, or any other person.
