We provide the knowledge and guidance needed to make informed decisions for either a successful transition to homeownership, property literacy or generational wealth and estate planning; or regarding the maintenance and or rehabilitation of your existing home for a successful experience.

Getting Started & What to Expect

Be Prepared!

- ✓ Gather your program documentation
- ✓ Have your reservation number available
- ✓ Certificate of counseling issued upon completion

For most of us, buying a home is the single largest investment we will ever make – It's normal to have questions and feel uneasy about the process. A HUD Certified Housing Counselor will make sure you are fully informed and prepared before taking this big step.
