

### **FHLBank Atlanta continues to enhance one of the most exciting developments in our Affordable Housing Program (AHP) General Fund: AHPBuild®.**

The Bank requires that all AHP project sponsors complete a one-time registration. This includes providing information for access to AHPBuild, the online application and project management system, and executing the appropriate legal agreements. Upon completion of these items, the Bank will issue a User ID and Password. **If your organization has previously completed a registration, please do not register again. If assistance is needed, or if you have any questions, please contact FHLBank Atlanta at [ahpprogram@fhlbatl.com](mailto:ahpprogram@fhlbatl.com).**

Following the submission of your online registration, you will receive an email that contains a link to the legal documents. Project sponsors are defined as nonprofit or for-profit housing developers, public entities, contractors, community builders, and other nonprofit and for-profit organizations engaged in housing construction, rehabilitation, and development, either ownership or rental.

Registration is critical because all AHP sponsors as well as member financial institutions that are active in the program are required to use AHPBuild to participate in the AHP General Fund. All organizations applying for project funding need to register. Please follow these steps to sign up:

1. [Register](#) (and await confirmation via e-mail.)
2. Complete and sign the Sponsor Access Agreement.
3. Receive a User ID and Password from FHLBank Atlanta.
