Learn About What's New in 2023

We are pleased to announce that funding for the Affordable Housing Program (AHP) Homeownership Set-aside Program will be available beginning **February 21, 2023**.

As we strive to enhance the overall impact of the program, we are introducing a few changes in 2023 that are designed to meet current and emerging housing needs in your communities. The First-time Homebuyer Product maximum funding will increase from \$7,500 to \$12,500. Additionally, the Community Partners Product maximum funding will increase from \$10,000 to \$15,000. The Community Rebuild and Restore Product will remain the same with \$10,000 in assistance.
